### Course Description

Certificate I in Automotive Vocational Preparation prepares and inducts students into the Automotive industry. This qualification assists in developing the necessary skills and knowledge required to perform routine activities. It also provides participants with experience required to apply for Apprenticeships. Students will participate in off-job training at Quality Automotive Training's Training Centre in Rosewater. The training involves both theory and practical assignments. Students are required to complete 20 days of Structured Work Placement (SWP) for on-the-job assessment.

### Career Pathway

Can work towards an Automotive Apprenticeship as a Light Vehicle Motor Mechanic, Heavy Vehicle Mechanic, Auto-motive Electrician or similar.

### Availability

Students studying Years 10 or 11 (Minimum entry level—year 10)

### Student Requirements

- Safety footwear
- safety eye wear
- overalls or similar.
- Long hair must be tied back.

*Youth Education Centre has capacity to provide students with the above stated PPE and attire. If students require any of the above, please email Peter Savvas [peter.topalsavvas878@schools.sa.edu.au](mailto:peter.topalsavvas878@schools.sa.edu.au)*

**Units of Competency (Nationally Accredited Training)** See Reverse

### Day & Time

One day per week (Friday) - 8.45am—4.00pm

LLN test date: Monday 14<sup>th</sup> November 11:30am Flexicentre

### **Structured Work Placement Required (RTO may assist student if required)**

Includes 4 full weeks, 20 days (7.6 hours per day) Structured Work Placement in an Automotive Mechanical workplace. **\*Note: This is a compulsory requirement for the completion of this course and/or qualification.**

### How to Apply

Please speak to your school VET Coordinator and apply direct to QAT – [sylvias@gat.edu.au](mailto:sylvias@gat.edu.au)
